Getting here

Directions by road

Exit the M42 at junction 5 and take the exit marked A41 Birmingham.

Take the first slipway on the left signposted to Solihull and take the second exit at the roundabout (turn right), (signposted Solihull Town Centre). Drive past Marsh Lane on your right, Blythe Way on your left, through the traffic lights, past Solihull School on your right and Morrisons supermarket on your left. Continue through the traffic lights (straight on) until the next roundabout.

Take the first exit at this roundabout (Lode Lane) and then at the next roundabout approach in the middle lane and take the third exit (Blossomfield Road). IMMEDIATELY you exit the roundabout onto Blossomfield Road take the first left (a small cut off section of Homer Road). We are at the top of that short road on your right.

Parking

There is parking for clients at the front and further parking at the back of the property.

Satellite navigation

Please note that if you put "Homer Road" into your satellite navigation system you will almost certainly end up on the larger part of Homer Road – our building is not on that large part of Homer Road.

By train

We are conveniently located on the Chiltern Line – London Marylebone to Birmingham Snowhill. We are a two minute (250 metre) walk from Solihull Station.

Exit the station and turn right, walking up Station Approach. Cross over Blossomfield Road using the pedestrian lights. Turn left and then Homer Road is almost immediately on your right (before the main traffic roundabout). We are at the top of that short length of Homer Road on the right.
